EVERY PLEDGE

to Strong Kids Financial Assistance Program has a positive effect on our community.

"Before I came to Girls on the Run I felt like I was overweight, and I didn't want to be seen. I felt like I was ugly. The first lesson we learned is that you're beautiful just the way you are; no matter what shape or size, you are pretty and perfect. After that I felt so much better about myself. Now I feel pretty and wonderful! Girls on the Run has made me fearless by teaching me not to be afraid to take a risk to try something new."

Elle

"Without Financial Assistance, my son would not have been able to attend Prime Time and I wouldn't have been able to go to work. It was a load off my mind, I didn't have to wonder where my kids were"

Marvin

"Because of Camp Wakonda I have a bes friend"

Lilly

"My best thing is playing soccer and I am good too!"

THEIR POTENTIAL

Because we believe that all kids deserve the opportunity to discover who they are and what they can achieve, the Y is for Youth Development. Through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement. Y activities give our children the opportunity to become confident kids today and healthier, happier grown-ups tomorrow.

THEIR HEALTH

Improving the nation's health and well-being is a priority for the Y. At the Y, we help children and adults understand and value their health, and we nurture their well-being. We offer resources and guidance to maintain or improve physical activity, health and wellness.

THEIR FUTURE

At the Y, strengthening community is our cause. The Y has been listening and responding to our communities' most critical needs for 160 years. Whether developing skills or emotional well-being, welcoming and connecting diverse populations or advocating for healthier communities, the Y fosters the care and respect all people need and deserve.
