The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to <u>www.ybenefits.org</u> or call 877-BEN-YMCA. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at www.ybenefits.org or call 877-BEN-YMCA to request a copy.

Important Questions	Answers	Why This Matters:			
What is the overall <u>deductible</u> ?	Network: \$2,750 Individual / \$5,500 Family Non-Network: \$4,000 Individual / \$8,000 Family Per calendar year	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.			
Are there services covered before you meet your <u>deductible?</u>	Yes. The deductible does not apply to preventive care.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits</u> /.			
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.			
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Network: \$2,750 Individual / \$5,500 Family Non-Network: \$7,500 Individual / \$15,000 Family Per calendar year	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members on the <u>plan</u> , the overall family <u>out-of-pocket</u> <u>limit</u> must be met.			
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover, and penalties for failure to obtain prior authorization	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .			
Will you pay less if you use a <u>network provider</u> ?	Yes. For a list of network providers, see <u>www.myuhc.com</u> or call the Member Services number on the back of your ID Card.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
